

AIM Aerospace, Inc. | 705 Southwest 7th Street, Renton, WA 98057 USA | 425.235.2750

For Immediate Release  
June 24, 2010

## **AIM Aviation becomes AIM Aerospace, Inc.**

**Renton, WA.** – Following the recent sale of the UK divisions of AIM Group PLC we are pleased to introduce the new name and logo for our US divisions. The structure of the US ownership and the management team remains unchanged.

The US divisions will be designated as follows:

**AIM Aerospace Inc.** – (formerly AIM Aviation, Inc.)  
Renton Operations

**AIM Aerospace Auburn, Inc.** – (formerly AIM Aviation Auburn, Inc.)  
Auburn Operations

**AIM Aerospace Sumner, Inc.** – (formerly Precision Pattern Inc.)  
Sumner and Tacoma Operations

**AIM Aerospace, Inc** is an industry leading family of composites companies known for its manufacturing excellence in aerospace structural composites, ducting, interiors, composite tooling and technical services.

A completely redesigned web site, [www.aim-aerospace.com](http://www.aim-aerospace.com) is in the works and will be available on July 12, 2010.

During the next few weeks our customer service, purchasing and accounting departments will be working with each of you to incorporate our new name where appropriate.

If you have any questions, or require further information about this please feel free to contact me.

Thank you for your continued support,

John Feutz  
President  
AIM Aerospace Inc.
